Dates: February 14 – February 17, 2020

Speaker: Jeff Moors

Jeff Moors is the lead and planting pastor of Rhythm Church in Oceanside California. Since 2000 he has worked with the local church building healthy leadership teams, and strong ministries that impact their cities. He also works with churches all over the country to help them further their reach, build momentum, and effectively minister to multi-cultural/multi-generational communities. Jeff is a gifted and passionate communicator, and loves to teach God's word to audiences of all ages. Jeff and his wife Eryn, have three amazing kids, India, Isla, and Israel. They live in Oceanside, California and spend as much time outside and surfing as possible!

Worship: Aubrey Dela Cruz

Aubrey currently serves as one of BIOLA University's eight worship team leaders on campus. She is passionate about youth, and has formerly led worship with Friends Church Yorba Linda in their junior high ministry. Forest Home is near and dear to her heart. You might recognize her from Creekside, where she served as the Junior High worship dean in summer of 2018, or from leading worship at winter camp in 2019! Aubrey loves integrating liturgical rhythms and prayer practices into her worship sets because she believes in using music ministry as a means to step into an honest conversation with God. One of her favorite pastimes is making new friends over a cup of coffee. If you see her around, be sure to stop her to chat. She'll probably grab an iced daily dose along the way!
