Where: Thousand Pines Christian Camp

359 Thousand Pines Rd.
Crestline, CA 92325

Cost: \$210 per student

What you need to know:

Winter camp has been an awesome time for our Jr. High students to connect with one another, the leaders, and most importantly their Savior. We understand that winter camp can be financially challenging, but we desperately want every student, if possible, to go. Please let us know if scholarships are needed. We also understand that some of you have multiple students in the Jr. High Ministry. If you have more than one student attending camp, please take off \$50 for each additional student (total for two siblings to go would be \$370).
