TEST DRIVE A SMALL GROUP

Small groups are an important part of the fabric of community life at Calvary. You are invited to attend a small group meeting during the week of April 3-8 to get a taste of what small groups are like. This is a great opportunity to witness how members apply the Bible to their lives, share their struggles honestly, and pray for one another. If you like what you see, you can sign up to join a small group when they form next fall.
